

# Acting Fees

Please complete and return this form with your fee to the address below. Licences cannot be issued without pre-payment and fees should be paid before the performance takes place. Failure to pay the fee makes the performance illegal. Should the proposed performance not take place, please notify us so that we can amend our records and refund your fee where appropriate.

A performance fee is payable on each and every performance of a play. A performance is any presentation or preview to which an audience of any size is admitted. Play readings may be given on payment of 50% of the full fee on condition that no attempt is made to "act" the play - no costumes, props or movement are allowed.

Requests for information regarding fees and for a licence should be made to the publishers or to our agents for overseas customers:

**Baker's Plays:** PO BOX 699222, Quincy, MA 02269, USA

**DALRO:** PO BOX 31627, Braamfontein, South Africa

**Drama League of Ireland:** Mill Theatre, Dundrum Town Centre,  
Dundrum, Dublin 16

**Origin Theatrical:** PO BOX Q1235, QVB Post Office, Sydney, NSW 1230,  
Australia

**Play Bureau:** PO BOX 9013, St Clair, Dunedin 9047, New Zealand

Sometimes performances are given without payment of the fee, this can be due to a misunderstanding within the group, or because it is not realised that buying a playscript does not confer the right to perform the play. All our plays are copyright and cannot be performed without consent.

We are frequently asked to waive or reduce the fee as the performance is for charity. We have to refuse as many performances are for charity and it could be a charity to which the author has already contributed or of which the author does not approve. Please remember that many playwrights rely on performing fees for their livelihood.

We are always pleased to receive reviews and criticisms (good or bad) of our plays. Such material can be helpful when answering your queries and can help us select the right plays for your future use.
